QUALITY POLICY

About XJ ALUMINIUM

Be responsible for XJ Brand, make customers really satisfied

FOREVERTAI GROUP CORP is a joint-venture company invested by Taiwan. It is a multifunctional manufacture base integrates mold, fusion casting, extrusion and surface treatment, and specialized in producing construction windows & doors, curtain walls, thermal-break profiles, home decorative profiles, industrial and special profiles.

The company occupies over 1300 employees including 60% professional engineers and technicians. It adopts worldwide advanced technology and has imported full set of equipment from Taiwan. There are 17 extrusion lines, 4 anodic oxidation & electrophoresis painting production lines, 4 color powder spraying production lines made by Swiss GEMA and German Wagner, 2 Swiss-made heat insulation profile composite production lines and equipped with advanced domestic or imported test instruments. Its annual production capacity reaches 40,000 tons.

The company produces and processes various types of industrial, electronic, home, construction section profiles, and anodic oxidation, bepainting, electrophoresis, powder spraying surface treatment profiles, and curtain wall series profiles, thermal-break profiles, aluminium & wood composite door profiles, solar power frame profiles, engine shell profiles, cylinder pipe profiles, show instrument profiles, elevator profiles, textile mechanical profiles, medical instrument profiles, printing & packing mechanical profiles, home appliance & refrigerator profiles, advertising light box profiles, aluminium alloy dryers, mechanical frame profiles, industrial, electronic, and home radiator profiles, aluminium alloy pipes, panels, bars, ect.

We can make customized **aluminium frames for solar power modules** to meet the different specifications and requirements. The high production capability, product precision and quality made us one of the best producers in the industry. At present, our products are exported to Top 500 companies of the world, including Japan, Korea and Germany etc., and being acclaimed by Top 50 Solar Energy Companies around the globe. Currently, the company has 15 production lines, with the production capacity of 1,000,000 sets / month.

Forevertai Group wish to sincerely cooperate with friends in all fields of the society to create the prosperous future together.
